There are three programs described below from which to choose:

- Six Week Funshop (plus Comedy Showcase)
- One Day Funshop
- Summer or March Break Funshop

### A) Six Week Funshop + Comedy Showcase

This direct-to-student model involves stand-up comedian coaches collaborating as “visiting artists” over nine contact points in the project - six weeks (once a week for about an hour) with all of the students and then two visits for preparing only the students going forward, and then the culminating Comedy Showcase.

The classroom teacher plays an organizer and observer role in the classroom but is not an active participant during the classroom visits. Teachers have a key connecting role to play between the classroom visits to keep the project moving.

The fee is dependent on the number of classes (up to a maximum of 3 in one day):

Number of Classes	One Comedian		Two Comedians (recommended)	
	New School	Repeating School	New School	Repeating School
One class	\$1400	\$1200	\$2000	\$1800
Two classes	\$1700	\$1500	\$2500	\$2300
Three classes	\$2000	\$1800	\$3000	\$2800

- Schools are required to print copies of the consumable **Student Playbook** for each student (digital copy provided free of charge) or purchase copies at a price of \$2.00 each (shipping extra).
- We are flexible and can work with you to plan other timeframes that suit your school.

## B) One Day Funshop

This model is designed with smaller schools in mind and schools who cannot commit the time to the Six Week Funshop program.

The One Day Comedy Funshop introduces specific components and skills from the **Six Week Program** condensed into one day. Think of it as a field trip inside the classroom involving stand-up comedians collaborating as “visiting artists” who spend an entire day with the class, taking students through a jam-packed course on the positive outcomes of writing and performing stand-up comedy. Essentially, the classroom is transformed into a writer's room, a comedy club, and an open and judgment-free learning space, all in one day.

One Comedian	Two Comedians (recommended)
\$500	\$1000

- Comedian(s) interact with one class per day
- Schools are also required to print copies of the consumable **Student Playbook** for each student (digital copy provided free of charge) or purchase copies at a price of \$2.00 each (shipping extra).
