Four Flexible IN-PERSON Program Options:

When Covid-19 protocols allow us to return to in-person delivery.

- Full Day Comedy Camp for schools and public groups
- Six Session Comedy Camp for schools and public groups
- Five Day Comedy Camps - Summer or school Break times
- Edutainment Programs

A) Full Day Comedy Camp - during school year and on PA Days

This model is designed with smaller schools in mind or schools who cannot commit the time to the Six Week Comedy Camp program. We are flexible and can work with you to plan other timeframes that suit your school or group.

1 Comedian Coach (max 9 students)	2 Comedian Coaches (max 30 students)
\$900	\$1200

B) Six Session Comedy Camp - during the school year

This model takes place over nine contact points - six weeks (once a week for about an hour) with all of the students and then two visits for preparing a smaller group of students for the culminating Showcase, and then the Showcase performance itself. Essentially, the classroom is transformed into a writer's room, a comedy club, and an open learning space. Teachers have a key observer and connecting role to play between the classroom visits to keep the project moving. We are flexible and can work with you to plan other timeframes that suit your school.

Number of Classes or Groups Involved	1 Comedian Coach (max. 9 students)	recommended model 2 Comedian Coaches (max. 30 students / group)

Two groups	\$2000	\$3000
Three groups	\$2500	\$4000

When Covid-19 protocols allow, we plan to run in-person Comedy Day Camps from 9:00-3:00 at various locations in GTA with a fee of \$600 per week per child during the summer, Winter and March Break. Check our website for more details.

Pre and Post care are also available from 8:00-5:00 at an additional fee to be determined.
